PROFILE

AI System Developer with a Human Resources background. Designs, builds, and ships production-grade web applications and internal tools using a modern AI-powered stack — sole developer across 5 live projects at Lumofy, each owned from requirements through to deployment.

EXPERIENCE

AI System Developer, Lumofy (HRTech SaaS, B2B) 04/2026 – Present

- Built and deployed careers.lumofy.ai — Lumofy’s public-facing careers page for candidates to browse open roles and apply.
- Built and deployed lumofypulse.netlify.app — company-wide HR attendance and leave management system, now the organisation’s primary internal tool.
- Delivered two additional internal tools for the L&D team: a Dispatching tool for SCORM and proxy provisioning, and an AI Curator app for AI-assisted course development.
- Sole developer across 5 live internal projects, owning each from requirements gathering through to production deployment.
- Work across a modern AI-powered development stack: Lovable, Claude Code, Supabase, Firebase, Vercel, and Netlify.

Talent Acquisition & Onboarding Specialist, Lumofy (HRTech SaaS, B2B) 02/2026 – 04/2026

- Managed end-to-end recruitment, including sourcing, screening, interviewing, and offer management.
- Built talent pipelines and ran onboarding programs aligned with HR policies, using ATS and HRIS tools.
- Applied prompt engineering and low-code / no-code development to automate recruitment and onboarding workflows.
- Delivered a structured handover of the talent acquisition function to the HR team while transitioning into the AI System Developer role.

Human Resources Intern, Lumofy (HRTech SaaS, B2B) 09/2025 – 02/2026

- Designed KPI frameworks to track and evaluate employee performance.
- Maintained employee records in the JISR HRMS system and built a competency-based Talent Pool database in Excel.
- Organised HR documentation in Notion, creating centralised knowledge bases and streamlined workflows.

Human Resources Intern, Vamonos Hygiene Services 2025

- Supported HRMS administration, employee data management, and compliance processes (LMRA, SIO, Bahrain Labour Law).
- Assisted with recruitment, onboarding, and documentation to ensure efficient HR operations.

Sales Intern, Vamonos Hygiene Services 2025

- Introduced pest control services to prospective clients and supported follow-ups and client communication.

Sales Intern, Takhlees Mobile Application 2024

- Conducted market research and competitive analysis that informed the development and marketing strategy for the Takhlees application.
